MEMORANDUM FOR: Deputy Director (Plans)
Deputy Director (Intelligence)
Assistant Director for Communications
Assistant Director for Personnel
Director of Training

SUBJECT : Personnel Statistics for the Hoover Commission Task Force.

1. Mr. Kirkpatrick, chairman of the internal Agency committee preparing material for the Hoover Commission Task Force, has requested that I obtain the following information for him:

a. The number of CIA personnel on duty with other federal agencies on a nonreimbursable basis. (Example: An employee is loaned to the Foreign Operations Administration to do a special task, the duration of which is over sixty days.)

b. The number of employees of other Government agencies whose salaries we pay because of the special relationship between their duties and this Agency. (Example: An employee of the Immigration and Naturalization Service specifically devotes his full time to handling CIA's problems in a manner consistent with our own security policies and practices.)

2. I would appreciate it if you would supply this information to me not later than 6 August 1954. Do not include those personnel who, for cover purposes only, are employed by other Government agencies.

3. If there are any questions regarding this matter, please contact my Assistant, [REDACTED], on Extension 738.
